

Primary Health Care Nurse Practitioner Position **Trent Hills Family Health Team (THFHT)**

Overview:

THFHT is looking for a dynamic and innovative Primary Health Care Nurse Practitioner to fill a six-month maternity leave with our team commencing August 2, 2011. We are a first wave FHT in operation since 2005. We have a very positive work environment that supports the practice of all interdisciplinary team members and includes established communication, booking, and administrative processes. THFHT is located in Campbellford, Ontario, and has satellite offices in Colborne, Hastings and Warkworth, east of Toronto. Please visit our website www.thfht.com.

Position:

- Providing holistic primary health care to patients from across the lifespan in all developmental stages.
- Participation in health promotion, disease prevention, screening, and chronic disease management & prevention.
- Six-month maternity leave.
- 37.5 hours/week. Flexible shifts. Extended hours approximately twice per month, scheduled in advance, and time off in lieu.
- Flexible hours and part-time options considered.
- No on-call duties required.

Work Environment:

- Working at two of our satellite offices (Hastings and Warkworth)
- Excellent administrative support including reception, medical office assistants, clerks, and IT support
- Support by Registered Nurses, Registered Practical Nurses and Phlebotomists
- 0.5 days per week allotted for administrative and paper work
- Team composed of 4 Nurse Practitioners, 10 Physicians, (at main site, physician consults are designated each day) 2 Social Workers, a Registered Dietitian, & a Pharmacist for consultation and collaboration.
- Nurse-led programs including Cervical Screening, Anticoagulation Therapy, Diabetes, Chronic Non-Cancer Pain and Foot Care.
- NP representation on the Management Committee.
- Paid time for nursing meetings to discuss practice and make recommendations.
- NP Meetings and Lead NP to support practice.

Compensation & Benefits:

- Salary commensurate with MOHLTC funding
- Applicable statutory holidays.

Qualifications & Profile Desired:

- Registered Nurse in the Extended Class (RN-EC) with the College of Nurses of Ontario.
- RN-EC with Primary Health Care Specialty Preferred.
- Minimum Baccalaureate Degree in Nursing.
- NP clinical experience preferred, but all applicants, including new graduates, will be considered.
- Member of the Registered Nurses Association of Ontario (RNAO) & NPAO preferred.
- Proficient utilization of electronic health records, Internet, email, & inter-office messaging. Prior experience with Practice Solutions an asset.
- NP SERT Registration with Ministry of Health and Long-Term Care
