

Supporting our Sector Partners

The Central East LHIN is currently undergoing a reorganization of staff roles and responsibilities to better support the implementation of the 2010-2013 Integrated Health Service Plan. The current phase of this reorganization is the introduction of Sector Co-leads.

Existing staff will now be able to provide a **single point of contact** for health service providers to ensure the timely flow of sector specific information and to better integrate the activities of System Design and Implementation (SDI) and System Finance and Performance Management (SFPM) teams in the Central East LHIN office.

Please refer to the list below to confirm the Co-lead for your sector. If you have any questions, please contact James Meloche, Senior Director, SDI and/or Paul Barker, Senior Director, SFPM through the Central East LHIN at 905-427-5497.
