Call for “Expression of Interest” Advisory Council for CE LHIN Self-Management Program (Central East CCAC)

The CE LHIN Self-Management Program Advisory Council will provide guidance to the work of the CE LHIN Self-Management Program as a program within CECCAC. Meetings will be held 4 times per year, with 2-year membership terms. (Inaugural members may opt for a 1 year term.) Applications are requested on or before August 31, 2010.

In March 2010, the CE LHIN Priority Project for Self-Management Training for Consumers & Caregivers reached its completion. The project, through the leadership of a multi-stakeholder project team and project manager, introduced a consistent, coordinated and sustainable self-management program for CE LHIN and ultimately supported delivery of 112 workshops to 1,435 individuals from April 2008 – April 2010. In April 2010, the CE LHIN requested that the Central East CCAC provide leadership to support an ongoing sustainable CE LHIN Self-Management Program. An Advisory Council will be established in fall 2010.

The Self-Management Advisory Council will, with the assistance of CE LHIN Self-Management Program staff, be responsible for:

- Providing strategic guidance in the implementation of the CE LHIN Self-Management Program activities
- Recommend partnerships with stakeholders, project work, and integration opportunities to optimize self-management activities within CE LHIN.
- Providing input and review of selected communications
- Reviewing program outcomes, case studies, and best practices, and assisting in problem solving and planning recommendations for the CE LHIN Self-Management Program
